Girls 1st ! Boys 2nd !

Wet and Cold Not Enough To Deter Bulldog Success At 86th Martinez Relays

The host Alhambra team surprised itself with top placings in the varsity divisions this past Saturday. The girls took the first place trophy behind top showings in the jumps and a solid sprint presence. The boys were also excellent in the sprints overall.

Weather affected marks, not effort

Steady rain pummeled the 17 schools in attendance for the first two hours of the meet, and then finally tapered off to leave behind a sodden field for the rest of the day. As a consequence times and marks were suppressed due to the inclement conditions. However, the gathered teams soldiered on and still made it a competitive event all around.

Persistence pays off

It was not only top marks that propelled the Bulldog success, but determination. The rain scared off a few teams, and as the meet wore on, fewer and fewer squads answered the bell for the events. This allowed the schools with more grit to score more points.

A bit of chaos

The weather was of little help in making the meet easier. The wet and crowding under shelter added to the already heavy burden of rookie volunteers. Still, we go the meet off on time, and sailed along.

Sodden field event sheets and some oversights in correctly identifying competitors in events led to a few scoring errors, but it all eventually worked out and scores and awards were dispersed.

Meet continuity

One of the major things that visiting teams appreciate the most at a meet is getting started on time, and keeping the events going. Another is a consistent and timely posting of results. And having the awards ready to go is a real plus.

In all these regards, despite a few irregularities, happened just as promised, and the attending teams were very appreciative of that.

Thanks and gratitude

It takes a lot of people to make an invitational happen, and we are grateful to

all of you who toiled at the various tasks to get the job done. Special thanks to the unseen support by our athletic director Pat Ertola and maintenance chief Lonnie who moved all the equipment into place, and our announcer Kevin Searls who kept the crowd informed and amused for 7 nonstop hours.

And of course, hats off to meet director Head Coach Katherine Hern who put in the massive hours preparing, and the day-long scurrying to handle the never-ending sequences of mini-crises that inevitably arise in a meet.

And the clean up !

Our Bulldog tracksters were amazing on the after-meet clean up crew. We had all the tables, canopies, sound equipment, barriers, tools, clerical supplies, implements, poles, and pads stored, stacked, covered, stashed and secured within an hour of the end of the meet.

Bulldogs Take Losses To College Park In Early Season Showdown

We were hoping to make a strong showing in our first DAL meet of the season against our top league opponent, but it was not to be. College Park beat us in all 4 divisions to take the early lead in the league standings.

It wasn't the rain, which came as promised and drizzled all through the meet. And it wasn't for lack of effort, either, as the Dogs put up a strong fight. It was that College Park has more athletes in more events, and we just got outscored.

Bright spots all over

Regardless, we had some very nice efforts. Nick Momaney sailed the discus to a new top-10 mark and propelled himself into the lead in that event. Mister Davis scampered to some impressive sprint times in winning the 100-200 double. Carson Edwards ran a PR even in the rain for a strong 2nd in the 3200. Jason Exline lept to a nice PR 5-10 in the high jump even in the cold and rain. The GV 4 x 100 ran away with a solid win. The GV vaulters swept the event.

Looking Ahead: More Meets On The Horizon

Our season moves along quickly now for the next three weeks.

Wednesday March 13

DAL: YV & Berean @ Alhambra

This is a home meet, and we need all hands on board to make it happen smoothly.

Saturday March 16

Eddie Hart Relays @ Pittsburg HS

9:00 a.m. start

This is a close-by event with a very nice facility. Time to let someone else run a meet.

Dublin Distance Fiesta

varsity distance runners

Wednesday March 20

DAL: Concord & Mt Diablo @ Alhambra

This is our last home meet of the year. We should be a well-oiled machine at this point

Saturday March 23

Bay Area Relays @ Foothill HS

We seem to do well at all-relay meets. Here is another chance to show Bulldog strength.

Wednesday March 27

DAL: Alhambra @ Benicia HS

This will be another tough test for the Bulldogs in league play. It is also our last dual meet of the season.

And beyond - -

We will move into the next phase of our competitive season, where the meets turn into selective competitions. We will be showcasing our top athletes in some elite meets in this period both before and after the Spring Break.

Stay tuned for the details.
